Share the Spirit Foundation

was formed in 2003 with a simple motto:

“Helping to share the burden of providing for those in need.”

We build on the intention to give with a sense of immediacy.

After all, those in need simply cannot wait.

We pride ourselves in working hand-in-hand with volunteers, communities and our donors to assist those in a dignified manner.

And, we remind ourselves through physical challenges to honor those enduring their own personal hardships.

Share the Spirit makes sure 100% of your dollar goes to the people who need it most, and we take nothing for administrative costs.

We envision reaching out to your community, keeping your donations on a local level, and expanding to various places throughout the nation.

With each of us sharing just a small portion of the burden, it somehow seems a little lighter for everyone.
