

grand canyon

Thank you for sharing the burden!

Thanks to your generous donations ...

Hiking boots on ... walking sticks in hand and a beautiful sunrise to start out the morning! Aah ... the Grand Canyon in October!

With packs on our backs and plenty of water bottles, the Share the Spirit hike was finally underway.

We headed down the South Kaibab Trail toward the Colorado River below.

After reaching the bottom and stopping for a picnic lunch at Phantom Ranch ... we started up Bright Angel Trail.

In just about ten hours, we hiked rim-to-rim and almost 17 miles.

Share the Spirit Foundation has raised almost \$5,500 to buy shoes for needy children.

Thank you from the Share the Spirit hikers.
