

SHARE THE SPIRIT

FOUNDATION, INC.

a not-for-profit organization

**November 20, 2009 | Waverly School District
Payless Shoes, Springfield, Illinois**

Over 60 students in need from the Waverly School District were selected to receive shoes from Share the Spirit. Principal Steve Cline and Counselor Karen Bennett helped coordinate the list of students. Thanks to Valerie Lotzenhiser, Audrey Voepel, Brenda Carter, Kim Maisch, Dave Voepel, Dan Brown and Shannon Jasmon for taking the morning to help share the burden for these children. The Waverly Student Council also donated money for 15 students. And a special thank you to Pat, a Payless customer who happened to walk in during the event ... and stayed to help! And once again, without the help of Payless Shoe Store manager Tracie and her staff, things would never run so smoothly!
