

Share the Spirit Foundation is back with SIP & SAVOR FALL FIESTA ...

Saturday, September 25, 2021. Last year was an unusual year for all of us, but we managed to continue our mission of providing new shoes to children in our community in a limited capacity.

We had to think outside the box, literally. Our first-ever Easter boxes were delivered to 60 students at **Southern View Elementary School**. Each box was individually made by one of our volunteers, filled with candy, small toys and a pair of socks. They were hand delivered to each child.

The annual Back to School event at **Contact Ministries** continued in August, providing 100 pair of shoes to children in the community. This was a socially distanced event and was held outside the building to ensure proper safety precautions were met.

The **Shoe Clozet in Jacksonville** continued to meet the needs of over 50 students in District 117. In addition, the **Shoe Clozet at Backhawk Elementary** provided new shoes to 32 students.

By November we were able to get back into the shoe store and held an in-person event when we partnered with **The James Project**, providing 40 pair of new shoes to foster families in Springfield. At that time STS filled the need of 62 children in the **North Mac School District**.

We look forward to 2021 and once again seeing smiles on the faces of the children who shop with us in person and proudly walk out of the store wearing their new shoes. Please consider sponsoring or donating an item to our auctions. Forms are included in this letter.

Kind Regards,

Tonya Voepel, President and Co-Founder, Share the Spirit Foundation
